

Elijah House Prayer Ministry

You can't change your history, but you can change its effect on your life. Elijah House Prayer Ministry is an effective means to inviting the Holy Spirit to bring healing to us in the areas we need it. This is a prayer centered approach to helping one another in the sanctification and transformation process that we, as God's children, enter when we accept Christ as our savior. Two trained prayer ministers meet with the person requesting prayer at FUMC in a private room dedicated to this effort. The meeting is also undergirded with prayer by intercessors who are told that a session is going on and to be in prayer for it.

Sessions last from 1 to 1 ½ hours. Any notes taken are given to the prayer requestor after the session is over.

There is no monetary cost – but the blessings are wonderful. God is the healer – we are merely his agents.

To schedule a prayer session-please call Shirley at the Church office: 442-3481.
You do not have to be a member of FUMC – just a child of God ready to grow in Christ
